

EMERGENCY BUSINESS COLLABORATION

TeraMach is committed to providing leading IT solutions to our Customers, for the past twenty years, through today and continuing tomorrow. During such uncertain times, **our commitment to exceptional high-value digital services remains unwavering.**

It is our belief that the continuity of services is crucial to sustaining critical operations to service and support Canadians. Therefore, TeraMach is committed to providing the means and capability necessary to enable employees to securely communicate from home and maintain consistent business operations. The health and protection of Canadians is paramount. Likewise, enabling Canadians to continue to work and maintain IT operations is a priority.

TeraMach, together with RingCentral, is helping our customers stay digitally connected during the Coronavirus outbreak. These services are ready for immediate availability to all healthcare providers, schools (K-12) and not-for-profit organizations.

Why is this important

- Leveraging a cloud-based solution means our Customers have immediate access to the solution and can scale up and down based on demand, as needed
- RingCentral Office, is proven worldwide communications platform and TeraMach has the expertise to deploy it today
- RingCentral Office provides HD video meetings, Messaging and File Sharing and corporate phone systems, SMS messaging, robust call management and more

How can this be done

- Simply setup an account to get started creating your business communications profile
- Create user profiles, call preferences, meeting room experiences all from your workstation or mobile app
- TeraMach's Secret cleared engineers are trained and available on-demand to expedite the enablement of RingCentral Office

Throughout this pandemic, TeraMach's social responsibility is to continue to provide critical services to Canadians. **Enabling digital communications is one of many services we will continue to deliver to our Customers.**

RingCentral is committed to ensuring your business continuity. Collaboration within your workforce is critical in times of a crisis. With RingCentral Office, keep your organization connected during the Coronavirus outbreak - **FREE for 3 months.**

All healthcare providers, schools (K-12), and non-profit organizations who are new customers and impacted by COVID-19 get free access to RingCentral Office for 3 months. This includes 100 participants per video meeting. Our existing Office Essential and Standard customers can also benefit from the increased meeting participant limit.

At this difficult time, it's crucial for your organization to connect and get your important work done easily and securely, from anywhere. With RingCentral Office you get an everything you need in one desktop or mobile app, including:

- **Video meetings:** HD quality audio and video conferencing, screen sharing and more.
- **Messaging:** Team messaging that's perfect for collaboration with file sharing and more.
- **Phone:** Robust and reliable business phone system, including business SMS and call management.

Let's talk about how RingCentral can enable your business to thrive during these difficult times.
